ASKET'S PROPHECIES FROM 1953

The speaker is Asket, the extraterrestrial human woman from our sister DAL universe, in a Jordanian desert, on February 3rd, 1953. (These verses represent a continuation of Asket's explanation to Eduard Albert (later called "Billy") Meier which starts here.)

185. I hereby speak of the extraterrestrial race, which here, since ancient times, wants to attain supremacy over the Earth humanity and, accordingly, to always again unfold the glow and flame of the various religions and always new sects because only through that may they obtain their goal.
186. For thousands of years they deceived the Earth human with religious "miracles" and "visions" of every kind, in order to maintain, and to yet further increase, the religious delusion.
187. Out of these grounds they have also created a mighty station under the Pyramids of Giza, in order to guide, from there, the religious delusional events of the Earth.
188. Self-evidently, they had to bring their great space ship into security, so they constructed the underground hanger where their ship has already been stored for thousands of years.
189. They direct and lead everything from under there that serves the purposes of religion and serves the religious and sectarian enslavement of the Earth human.
190. And, in order to top it all off, they made the utensils some decades ago which you have seen there.
191. They are as false and inane as the attitude of this space-faring group itself, because the true utensils of Immanuel and also the cross are already long rotted away and decayed to dust.
192. The imitation of the utensils succeeds as deceptively genuine, and this falsification would not be recognized even by an expert of your science with all the devices and apparatus available to him, because, in those kinds of things, this evil-minded group work with the most extreme precision and greatest ability.
193. The life-forms seen by you are the guards of the secret station and they kill every life-form which is ever lost in there.
194. Their technical possibilities for the positioning of distorting radiations are, at any rate, very small, subsequently we can go in there, unconcerned, in invisible form.
195. The meaning of the falsified Christ-utensils lies in the intention that an Earth human, in a very short time, will be influenced in a hallucinatory way by these malicious life-forms, to such a degree that all that was seen by you can be transmitted to him as an entire experience.
196. This Earth human already stands under the influence of these malicious beings.
197. Often he is transferred into a trance state by them and then the images are transmitted to him.

Pleiadians are typically thought to be fair and blond; however, it's important to remember there are many other blond starseed races. They are often 5D or 6D and have light bodies. Other lesser known Pleiadian types include Mediterranean, Latin or Native American appearing. Apparently some Pleiadians and some have been Giants (they can range from 5 to 7 feet). There are some reptilian-humanoid hybrids from the stars surrounding Targeta and Maia.

Places like the city of Teotihuacan in central Mexico have been aligned with the Pleiadian star cluster.

Pleiadians are generally thought to be associated with heart energy and feminine nurturing qualities; however, there are indications that there are also "negative" Pleiadians.

Pleidians abduct to study, to track genetic family histories, to observe neurological response to emotional stimuli, and for communication.
